The Governing Board recognises the valuable contribution that the wide range of additional activities, including clubs and visits, can make towards a pupil's education. The Governing Board aims to promote and provide such activities as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

The relevant statutory provisions are contained in Chapter III of Pt VI of the Education Act 1996.

This requires the Governing Board to determine and keep under review a Charging and Remissions Policy. Parents have a right to ask for this information and a copy is on the School Website. The school must also comply with the Buckinghamshire Council Scheme for Financing Schools, Finance Section F7 Charges for Educational Activities.

There are two types of financial contributions for which parents can be asked in relation to educational activities:

- Voluntary contributions
- Permitted charges

They have different limitations as set out below.

Voluntary Contributions:
Nothing in legislations prevents a school governing board or local authority from asking for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, the governing board or Executive Headteacher should make this clear to parents at the outset. The governing board or Executive Headteacher must also make it clear to parents that there is no obligation to make any contribution.

It is important to note that no child should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, then it is likely to be cancelled. Schools must make sure that they make this clear to parents. If a parent is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. Schools should make it clear to parents at the outset what their policy for allocating places on school visits will be.

When making requests for voluntary contributions to the schools' funds, parents must not be made to feel pressurised into paying as it is voluntary and not compulsory.

There is no limit to the level of voluntary contribution that may be asked for or any restriction on the way in which it is used. Voluntary contributions therefore can be used to subsidise parents of pupils who are unwilling or unable to pay the charges made and to pay the travel and accommodation costs of accompanying teachers or adults.

Permitted Charges:

Permitted charges are a direct request to cover certain costs involved with a school activity or visit. No charge can be made in respect of education provided during school hours (which excludes the midday break). Furthermore, no charge can be made for any education provided outside of school hours if this forms part of the National Curriculum or religious education (non-chargeable education). A charge may be made however for board and lodgings on any residential educational visit (subject to the provisions of the LA and school's remissions policy).

1. **Materials & Textbooks**

   Where a pupil or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. In the case of Food Technology, pupils usually provide their own ingredients, but if the child forgets, the school provides the ingredients and levies a charge. Textbooks are provided free of charge, but in some subjects at KS2, additional revision guides are available, for which a charge is made.

2. **Music Tuition**
   Although the law states that all education provided during school hours must be free, music lessons are an exception to this rule.

   The Education and Inspectors Act 2006 introduced a regulation-making power which allowed the Department for Education to specify circumstances where charging can be made for music tuition. The new Regulations, which came into force in September 2007, provide pupils with greater access to vocal and instrumental tuition.

   Charges may now be made for teaching either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. Charges may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by pupil(s), or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities).

3. **Residential Activities/Activities Outside School Hours**
   If the activity is held outside school hours and is education other than non-chargeable education, then it is regarded as an "optional extra". A charge may be made for the full cost of the activity but must not exceed the actual cost of providing the activity. The charge may include the costs of travel, board and lodgings, additional staff costs, entrance fees, insurance, materials and equipment. However, the charge made to individual

parents cannot include any cost added to subsidise parents of children who are unwilling or unable to pay the charge.

When is an activity held in school hours?
If the number of school sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A "half-day" means any period of 12 hours ending with noon or midnight on any day.

Example 1: Visit during school hours

Pupils are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

Example 2: Visit outside school hours

Pupils are away from school from noon on Thursday until 9pm on Sunday. This counts as 7 half days including 3 school sessions, do the visit is deemed to have taken place outside school hours.

4. **Damage/Loss to Property**

   A charge will be levied in respect of wilful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials), the charge to be the cost of replacement or repair, or such lower costs as the Executive Headteacher may decide.

5. **Lettings**

   The school will make its facilities available to outside users at a charge of at least the cost of providing the facilities. The scale of charges will be determined annually by the Full Governing Board.

6. **Other charges**

   The Executive Headteacher or Full Governing Board may levy charges for miscellaneous services up to the cost of providing such services eg. for providing a copy of an OFSTED report.

7. **School Lunches** No Charge EYFS & KS1, daily charges for KS2

8. **Debt Policy**

   If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents. Every parent will agree that this is unacceptable and we request that all parents give this policy their full support.

   Where possible, income due will be collected before or at the time the relevant sale or service is provided.

9. **Debt reminders – school meals**

10. Persistent Debt

The school purchases Legal Support from the local Authority which includes debt recovery. The school has the option to involve the Legal Services Department of the Council who will write to the parents/carers and expect payment within 7 days. Legal Services have the ability to issue legal proceedings should the family fail to pay by the deadline.

11. Writing off Debt

If after every effort has been made to collect the debt and legal action is considered impractical or has been unsuccessful, individual bad (irrecoverable) debts may be written off in accordance with the following procedures:

- Those up to a value of £100 to be approved by the Executive Headteacher and reported to the next meeting of the Full Governing Board.
- Those exceeding £101 to be referred to the Full Governing Board for approval.

12. Remissions Policy

Where non-chargeable education is provided, then the parents of a pupil who are in receipt of certain benefits, may receive a complete remission of any charges that would otherwise be payable in respect of board or lodgings. Current Government guidance will be followed at all times, using current regulations for children whose parents receive support payments.

This policy will be reviewed regularly by the Executive Headteacher and Full Governing Board.
