### IMPORTANT - IF YOUR CHILD HAS ALLERGIES OR DIETARY PREFERENCES

If your child has an allergy - please ensure the school are aware of this  
allergy (including a referral letter from a medical professional such as  
a G.P/ consultant /dietician). Any allergy information from the school  
will be passed to Culinera.

If you are happy to order a suitable dish from our published menu  
and the school are already aware of your child's special diet or  
dietary preferences, then you do not need to do anything.

If your child has more complex allergy needs and cannot order from  
the published menu and requires a special menu please complete  
our Special Medical Diet Form - you must also inform the school.

### YOU MUST ORDER MEALS ONLINE

Meals must be ordered no later than two nights before meals are  
served. If you require a login for SchoolComms, please speak to the  
school office. You can order meals up to 6 weeks in advance. If your  
child is ill or absent from school you must cancel meals through  
SchoolComms.
