

# Parent Survey 2021/2

**Thank you to those that completed the parent survey this year.**

**The following slides present the results from the 65 responses we received.**

**I am delighted with the results and have taken on board where improvements can be made.**

**Thank you for your time - it is greatly appreciated.**

**Mrs Cliffe**

# We received many wonderful comments:

Staff are very kind, supportive and approachable, and it's very clear that they care deeply about their jobs and our children

The school SEN dept supports my child well and makes sure that my child is welcomed every day and has an adult available if they need them

Always nice to see the Head teacher out in the mornings and the afternoon.

The school has an overall loving community feel to it, which is why we fell in love with it in the first place and it hasn't disappointed me

The continued emotional support and encouragement from all staff. You are all so friendly and helpful and just so lovely. My child is so happy to attend the school

Welcoming children in to help them settle, and understanding their emotions

The staff are all brilliant and deserve a big thank you as they go the extra mile

When issues have been flagged to the school, whilst it's unfortunate they happened, the school have always responded extremely efficiently, professionally and effectively and it's very much appreciated and valued

# Actions we will take:

**Options for longer parents evening would be great as it feels rushed: review process timeframes.**

**Sometimes communication is last minute:** ensure information is sent in a timely manner, but mindful that last minute changes are sometimes avoidable.

**Greater emphasis on emotional literacy:** a great deal is done at school around this topic, but we are working hard on children being able to explain their feelings. This will remain central to our work.

**More information on my child's progress:** we will review the processes presently in place.

**Community involvement:** links will become more possible as Covid recedes.

**Greater links with the Junior School:** this is well underway, and we look forward to a joint Jubilee celebration

**Understanding the core of behaviour communication:** behaviour is communication, and we work hard to unpick the behaviours we see. Working closely with families helps greatly.

**More talk of diversity and cultural differences:** meetings taking place to address this. Curriculum review.

**More inclusive initiatives:** we will review past initiatives and plan more inclusively moving forward.

# Actions we will take:

**Who do I go to if I have concerns?** If anyone has a concern, no matter how big or small, please contact the school office by email or telephone. They will direct the call so that the right person responds to you.

**Keep on top of Tapestry messages:** We try very hard to do this and respond often. Sometimes this falls short but we always aim to reach you all.

**Consider how you reward attendance:** I will consult with other head teachers as to how they reward positive attendance.

**Acknowledge Learning Challenge attempts not just 100% completion:** This is an excellent suggestion and one that we will take forward.

**Some parents do not know if homework is appropriate at this school:** We will review our homework policy and make sure this is clearly communicated to parents.

**100% OF PARENTS AGREE OR  
STRONGLY AGREE**
