Together we Sparkle and Shine

Nurturing approach

We use a nurturing environment to help pupils feel comfortable and secure.

We know that all behaviour is communication.

It is our mission to understand what a child is trying to tell us and put strategies in place to support them.

We give children time and space to process instructions and feel comfortable with what they are asked to do.

Topics

Together we Sparkle and Shine

Wow moments

We use Magic Moments in Reception. We love it when parents / carers let us know some of the amazing things their child has been up to at home. These are celebrated in front of the whole class then get displayed on the wall!

Communication

- We use an app called Tapestry to track the children's learning, and share important messages with you.
- Forest School is on Monday, children come dressed in long sleeves and long trousers.
- PE is on Thursday, children come dressed in PE kits.
- Book change day is Friday.
- Homework is sent home on a Friday and due back on the following Wednesday.

Transition

Children have a staggered start to Reception based on their age, so they can settle with confidence.

Moving to Year 1 we make sure the children spend time with their next teacher and experience their new classroom.
