

Carrington Infant School

Carrington Schools Federation

Dear Families

I am writing this newsletter having just spent time with our phenomenal PTA, who are out in these challenging conditions preparing for the summer fair—their dedication and hard work are truly remarkable and greatly appreciated by us all.

Celebrating Success and Inspiring Futures

We are incredibly proud of Miss Tinnelly, our student teacher, who recently completed an important assessment as part of her teacher training and did exceptionally well. Those of you with children in Oak Class will already know the lasting and positive impact she has had—her enthusiasm, care and commitment have truly supported the children's learning and confidence. In the same spirit of nurturing future educators, we will be welcoming work experience students into school over the coming weeks. We take great pride in the work we do here and are always pleased to support and inspire the next generation as they gain valuable experience in education.

Appreciation for Ms Romaniak

Ms Romaniak will not be continuing with us in September, and we would like to take a moment to express our sincere thanks for the dedication and hard work she has shown, particularly in her role within the ARP. Her warmth and sense of humour have brought joy to the children and staff alike, while her skill, patience and commitment have made a meaningful and lasting impact on the learning and development of the pupils she has supported. Ms Romaniak has been a highly valued member of our team—approachable, supportive, and consistently positive in all she does. We are truly grateful for everything she has contributed to our school community, and she will be greatly missed. We wish her every success and happiness in the future.

Sports Day & Lunches

Culinera have updated the system to reflect the change to sandwiches for sports day next Tuesday 30th. If you had already ordered a hot meal, or if you would like the school to provide their picnic lunch please can log in to Gateway to update your choice. Thank you

We haven't had very many parents complete the updated form yet to advise about attendance for the new sports day and picnic. Please complete it by Monday if not done already - [Sports Day - Tuesday 30th June 2026 – Fill in form](#)

Stationery pack for Carrington Junior School

Is your year 2 child moving to Juniors, or do you already have a child at the Junior school? If so, you may be interested in a stationery pack that we have put together after liaising with the year 3 lead to ensure it contains everything they will need for the new school year – and some spares! We are selling them at the Infants in aid of our school enrichment fund. They are available to buy now on school gateway for the bargain price of £9 each (comparable items online or from supermarkets cost approx. £15).

Help available at pharmacies

We have been sent the below email and asked to remind parents that many conditions can be dealt with by a pharmacist and don't need a Drs appointment.

“I am the Services and Compliance Lead Pharmacist from Lansdales Pharmacy (High Wycombe & Aylesbury). I am emailing to inform you that we provide NHS consultations, assessment and possible treatment for common childhood illnesses such as impetigo, sore throat and earache.

Carrington Infant School

Carrington Schools Federation

For convenience there is no need for an appointment; they are able to come in to any of our branches and be seen by a Pharmacist. If parents/guardians prefer an appointment, this can be arranged.

Kind regards,
Harpreet Rajbans“

Perform drama school discount

Please see attached flyer from Perform, who regularly carry out workshops in school for the children. They are offering a discount for Carrington parents who book a place for their children before Tuesday 30th June. The code to use is on the attached.

Have a wonderful weekend!

Best wishes
Mrs Buckley
Co-Head of School
