Carrington Schools Federation

Dear Families

## **Sports Day**

Thank you to all of our parents for your flexibility and understanding when we needed to change the date of Sports Day due to the extreme heat. Your support was greatly appreciated and helped make Tuesday such a wonderful success. The day was filled with smiles, determination and lots of enthusiastic cheering as the children took part in the events. A special thank you goes to Mrs Barron for all of her hard work in organising the day, and to our staff team for preparing the children so brilliantly and supporting them throughout. We are incredibly proud of all of our children for their fantastic effort.

Yesterday, Cherry and Willow Classes enjoyed a wonderful Sports Day, expertly organised by Mrs Edwards. The children took part in a range of fun and engaging activities, including parachute games, skittles, races and bubbles, ensuring that every child could participate, achieve and enjoy the experience. It was fantastic to see such a great turnout of parents and family members, whose encouragement and support helped create a truly special atmosphere. The children were full of smiles and enthusiasm throughout the morning, and it was a joy to celebrate their achievements together. Thank you to everyone who joined us and helped make the event such a memorable success.

## **Clubs for autumn term**

An email was sent earlier this week with details of clubs for the autumn term along with the link to the form if you wish to sign up for either choir or forest school being run internally. The link is below in case you missed it.

[Internal school clubs - autumn term 2026 – Fill in form](#)

The club summary as well as all the flyers with contact details to book with external suppliers are on our website here <https://www.carrington-inf.bucks.sch.uk/clubs-and-sports> and please note that the dates for tennis club have now been confirmed.

If your child is moving to Carrington Junior school in September their club summary, form link and booking information were also emailed to parents earlier this week.

## **EYFS playground gazebos**

A polite request to please refrain from letting your children play on / hang off the gazebos in the EYFS playground at the start and end of the day. These are brand new and belong to the PTA, we wouldn't want them to get broken or any children to get hurt. Thank you for your supervision.

## **Year 2 leavers activities**

On Thursday 16<sup>th</sup> July the plan for the year 2 leavers is assembly to parents at 11am in the school hall which lasts approx. 30-40 mins and then at 1pm all parents are invited back to school for a picnic with the children and the now famous end-of-school colour run! Please ensure children are wearing clothes that you don't mind getting covered in paint... A form to advise whether you are able to attend any of these events and the lunch plans for the children on this day will be sent next week.
