

Carrington Infant School

Dear Families

We are delighted to announce the launch of **Carrington Story Time**, our brand-new school podcast created to celebrate the joy of reading across our Infant and Junior Federation. The first episode is available here [INTRODUCTORY EPISODE](#) and features children from Year 1, Year 2 and Year 5.

At Carrington Schools Federation, we believe that reading opens doors—doors to imagination, knowledge, confidence, and endless possibility. To continue nurturing a strong reading culture across the Federation, Mr Reid at the Juniors and myself have created the Carrington Story Time podcast as a fun and accessible way for children to share their love of books with the whole school community

Each podcast episode will feature our pupils as the stars of the show. Children from across the year groups will take turns to introduce stories, read extracts, discuss their favourite books, and share what reading means to them. This platform gives our pupils the opportunity not only to develop their reading fluency, expression and confidence, but also to celebrate one another's achievements in a creative and exciting new way.

We warmly invite you to listen along at home. Whether you enjoy an episode during the school run, at bedtime, or as part of your family reading time, we hope Carrington Story Time becomes a special part of your week. It is our aim that this podcast inspires even more children to read and helps families discover new stories together. Links to new episodes will be shared regularly via our school website and Class Dojo.

Thank you, as always, for your support in fostering an understanding of the importance of reading. We can't wait for you to hear our pupils shine.

Please see below the weekly messages from school and awards.

Curriculum newsletter

Please find the link below (and on our website) to this term's curriculum newsletter, so you can see what the children have been learning across a selection of subjects in the spring term.

[Curriculum Highlights Spring 2026](#)

What an incredibly busy and rewarding spring term we have had at Carrington. Our school value of Respect has truly shone through in all that we have done.

Easter Bonnet Parade

Thank you to all the parents who were able to attend the Easter bonnet parade yesterday in the lovely sunshine and to those who helped make the bonnets – the children all looked absolutely amazing and very Spring-like 😊 Congratulations to all our class winners who came home with an Easter egg to enjoy in the holidays (if it lasts that long!).

If you would like to see some of the pictures taken by the overhead drone, please head to our website news page <https://www.carrington-inf.bucks.sch.uk/latest-news>

Neurodivergent superhero competition update

Congratulations to our winners. We were thrilled to celebrate the creativity and imagination during the Well Done Assembly on Friday 20th March, where the winners proudly received their certificates and prizes. Each winner also took home a fantastic fidget toy specially designed and created by Charlie Cliffe—what a brilliant keepsake! This competition was a wonderful part of our Neurodiversity Week celebrations, and we're so proud of the thoughtful and inclusive superheroes that the children brought to life.

Wycombe Wanderers shirt competition winner

Our fabulous winner of the Wycombe Wanderers shirt competition is **Bonnie** from EYFS! She will get her shirt made, worn by a player at the game on 18th April and then signed. She will also meet with the players for photo opportunities. Congratulations Bonnie, have a great time!

Class photos

The children did so well getting their pictures taken earlier this week and we already have the proofs back from the photographers! These should have come home yesterday or today. If your child has been off at the end of this week, please speak to their teacher next term to get the proof. The ordering instructions and deadline for free shipping to school (28 April) are all on the proof card.

Summer term school clubs

Just a reminder that should you be looking for clubs to keep your child active, inspired, creative or just entertained, there are lots of options for the summer term. There are still spaces available on some of the external clubs and at Forest school. Please go to our website for details of how to book external clubs and email the school office if you're interested in forest school.

Knowledge Organisers for years 1 & 2

Please find attached the knowledge organisers for next half term's topics. Please discuss these with your children to help them with their learning.
