Please see below the weekly messages from school and awards.

NHS new ParentCarerChat service

Please find attached a flyer from Buckinghamshire Healthcare NHS Trust School Nursing Service introducing ParentCarerChat, a new text-based support service for parents and carers of school-aged children across Buckinghamshire.

ParentCarerChat enables parents and carers to text a qualified member of the School Nursing Team for advice and support on a range of common health and wellbeing concerns, including behaviour, healthy eating and puberty-related questions. All messages are responded to directly by members of the School Nursing Team.
