Dear Families

Year 2 braved the rain for their exciting trip to Windsor Castle on a wet Thursday, and spirits were high from the moment they arrived. They were especially thrilled to see the Royal Standard flag flying, which meant that the King was in residence, making the visit feel even more special. Despite the drizzle, the children showed great enthusiasm and curiosity as they explored the historic surroundings. They took part in engaging workshops, visited the beautiful chapel, and marvelled at the intricate details of the famous dolls' house. Elijah's highlight of the day was "becoming King Elijah," which brought lots of smiles! It was a memorable and exciting day for everyone involved, and a huge thank you to Mr Law, Mrs Vilelas, Mrs West, Mrs Atkins, and the parents who helped to make this wonderful trip possible.

We would also like to extend our sincere thanks to Little Marlow School, who, as they prepare to close, have very generously donated a wide range of furniture and resources which are now being rehomed throughout our school. This has made a real difference to our classrooms and learning spaces. A special thank you goes to Mrs Vincent for her incredible organisational skills in coordinating this effort, ensuring everything ran so smoothly. We are also extremely grateful to T Jones and Son Ltd—particularly Tony—for kindly collecting, delivering, and redistributing the furniture around the school. It truly has been a wonderful community effort, and we are very thankful to everyone involved.

We are also delighted to share some wonderful news and extend our congratulations to our fantastic kitchen team, Mrs Webber and Mrs Dack, on achieving a Bronze Award in the Schools Challenge 2026 run by Veg Power and Tilda Rice. This marvellous accomplishment recognises their creative and inclusive approach, including engaging pirate-themed activities and the successful "Great Veg Vote," which saw every child across the school trying the vegetable of the day—an outstanding achievement! Their dedication has had a real impact on encouraging healthy eating across the school. As part of this success, the school has also been awarded £100 to use towards further enhancing our provision. We are incredibly proud of their hard work and commitment—well done!

Finally, we would like to say a special thank you to Jan Scutchings, a neighbour of Miss Bate's mother, who has very kindly donated a wonderful selection of vegetable plants, including tomatoes and peppers, to our ARP garden. This thoughtful contribution will help create a rich sensory gardening experience for the children, who are already very excited to start planting, exploring, and watching their vegetables grow. We are incredibly grateful for this generosity and support.
